*Help us find a job for a member of our  
latest family from Afghanistan.*

Dear Members, Donors and Friends of RAMP,

We are attempting to take advantage of the more than 200 members, donors and friends of RAMP to assist us in identifying a job for our latest family from Afghanistan. The family arrived in mid December, from Kabul, Afghanistan, and consists of the parents, in their 30's and three young girls, ages 11, 10, and 5. They are currently living in Morris County. The two older girls are attending school and the youngest is planning to start kindergarten in September.

The father has had experience in Business Development and Proposal Writing, Administration and Office Management, Bookkeeping and Payroll, Construction Site management. and Graphic Design and Information Technology.

If you feel that you have any ideas regarding a possible contact, I would appreciate it if you would let me know and I'll follow-up your suggestions and forward a full resume to you or your contact.

I can be contacted at (973) 377- 4697 or by email [here](#).

Any suggestions that you could provide would be greatly appreciated.

Thanks again for all your support,

Gerry Gannon  
RAMP Coordinator
